CENTRAL ONTARIO /

Barrie -
Collingwood

A quick drive from Toronto up the 400 highway brings you to a pair of Ontario's most fun-loving neighbourhoods. OUTFRONT has plenty of 20' x 10' posters and permanent superboards along the well-travelled roadways. Barrie, Collingwood and the surrounding areas such as Orillia, Cookstown, Midland, Gravenhurst, Owen Sound, Parry Sound, Thornbury, Meaford, Kincardine, North Bruce and Hanover are great markets to target both specific communities and to reach a combination of broad demographics (through our programmatic solutions). All of this contained within a rapidly growing tourist and travel destination.
